PROFIL

Currently a student in bachelor multimedia in Nancy (France). I am very comfortable both orally and in writing, attentive and good at interpersonal skills. I have been exploring English literature for two years and developed a very good level of English. I am efficient at work; I follow the requests of my employer and am also very autonomous. I have always used the internet; I can learn new software without problems.

EDUCATION

- CURRENT** ● BACHELOR'S DEGREE IN MULTIMÉDIA, **IUT NANCY-CHARLEMAGNE**
Learning about audio-visual technics and history, communication strategy, event organisation, web development and digital creation in general. This bachelor made me a 360-communication professional, able to work on the field as behind my screen and always ready to acquire new skills.
- 2022 - 2021 ● COMMUNICATION STUDY, **UNIVERSITÉ DE LORRAINE**
During this license I develop my critical mind on the media and the arts in general. I study the world around us through the prism of the transmission of information. I also have exciting image analysis classes that teach me how to deconstruct visual representations.
- 2021 - 2019 ● BACCALAUREATE, **LYCÉE-REGNAULT (TANGIER)**
At the beginning of the year 2021, I obtained my diploma with the specialties English literature and mathematics. Thanks to these years of studies, I reached a very capital level in English and a certain oral fluency in both languages.

RELEVANT EXPERIENCES

- CURRENT** ● INTERNSHIP, **MINES NANCY SCHOOL (PoCES project)**
Social media management, graphic design, visual identity redesign, website redesign, event organization.
- 2022 ● INTERNSHIP, **TRAIT D'UNION (AGENCY)**
Discovery of the world of work, graphic design, visual communication, communication consulting.
